**Piano Club
Awards Competition**

**March 29, 2025
First Reformed Church of Holland.**

To be eligible, you must perform at least once at Piano Club, attend at least two meetings, and pay the \$10.00 registration fee.

Your teacher must be a member of the Holland Piano Teachers Forum.

You will perform two memorized pieces for a guest artist in a recital setting. One piece must "tell us who you are". In other words, it tells us something about YOU! It can be about kangaroos because you love kangaroos! It can be about ballet because you are a dancer, or it can be a piece you really like because.... The second piece is your choice. Students should play original music rather than arrangements.

The students will compete at Elementary (grades K-5th), Intermediate (grades 6th-8th), and Senior (9th-12th) Levels.

Monetary prizes will be awarded at each of the three levels.

(Check with your teacher for additional details.)

About Holland Piano Club

- Piano Club is open to students of Holland Piano Teachers Forum members.
- The annual enrollment fee is \$10.

- Students may choose to play solos or duets, performing at least one time.
- As Piano Club members, students can earn recognition at the February meeting.
- Every time a student performs, he/she will receive a ribbon. At the last meeting, students who have attended two club recitals, and who have performed once, will receive a certificate. Students with perfect attendance who have performed at least once will receive a certificate with a gold seal.
